Engine Control Systems Europe AB, markets and delivers exhaust emission control products from the Malmö office and through a net of independent distributors all over Europe.

Welcome to our stand at CeMAT, Hannover, Germany. 2-6 May. Take the opportunity to meet our staff and European distributors to discuss solutions for your vehicles' exhaust emission problems.

ECS offer free tickets. We have paper tickets or E-tickets. Each ticket is valid for one day and can also be used for free rides on buses and trams in Hannover.

Send an email to ecseu@enginecontrolsystems.com letting us know how many paper or E-tickets you need. After receipt your ticket code(s) must be registered at www.cemat.de

We look forward to seeing you in Hannover! Herzlich willkommen!

Engine Control Systems, was founded in 1971 in Sweden under the name of Unikaf AB and was one of the first companies to manufacture and sell exhaust purifiers for diesel engines. In 1988 the company merged with Engine Control Systems Ltd, Canada. The Engine Control Systems companies are today part of Clean Diesels Technologies Inc., CA, U.S.A
